

DINS ES JONDAL

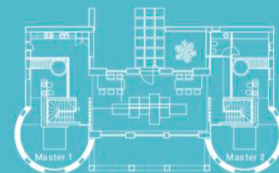

UPPER FLOOR

GROUND FLOOR

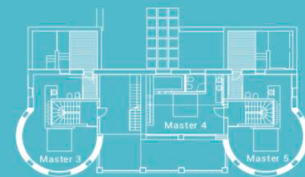

Master Suites

The term "master suite" implies that the space is much more than merely a master bedroom and bath. While the overall size of new homes continues to drop, the master area seems to demand more attention than ever...

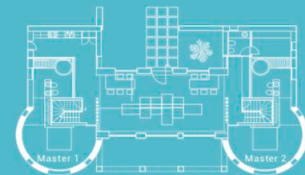

Our Master suites combine stunning views with a luxury bathroom, walk-in closet, private terrace and outdoor pool.

UPPER FLOOR

GROUND FLOOR

Facing south and overlooking Cala Jondal, the property with five master suites, three swimming pools and half of a mile of cliff pathwalk represent an extension of 10.000m².

“Enjoy a magical sunset and sunrise while chilling out on the terrace or by the swimming pool”
